OFFICE OF THE SECRETARY TO THE PRESIDENT

New Delhi, the 7th May 1956

No. 15-Pres./56.—The President is pleased to award the President's Police and Fire Services Medal for gallantry to the undermentioned officer of the Bihar Police:—

Name of the officer and rank.—Shri Indu Shekhar Jha, Deputy Superintendent of Police (Officiating), Additional Police Force, Bhagalpur.

Statement of services for which the decoration has been awarded.—On the night of 20th February 1955, on receipt of intelligence of a contemplated armed dacoity in the house of Shri Anmol Jha in village Tetri, P.S. Naugachia, Bhagalpur, Shri Indu Shekhar Jha arranged for the interception of the gang. The Police party, headed by Shri Jha, lay in ambush in pitch darkness, when the gang of about 25 armed desperadoes was seen collecting in a thick plantation near the village. Thereupon Shri Jha posted some of his men at strategic points, and accompanied by a handful of men, crawled forward through thick and thorny scrub for a considerable distance till he and his party came right up to the place where the dacoits

were assembled. Immediately, he challenged the dacoits, one of whom fired a shot at him from a six-chambered colt revolver at point blank range. Other members of the gang also simultaneously attacked the police party with lathis and other lethal weapons. Shri Jha was wounded but boldly continued to lead his men and providentially escaped serious injury. The dacoit with the revolver was over-powered and the weapon seized before he could use it again. Encouraged by the example of this determined action of their leader, the other members of the police party had a hand-to-hand fight with the dacoits, and succeeded in arresting six of them, possessing arms and ammunition.

Shri Jha throughout this encounter displayed conspicuous courage and determined leadership of a high order in face of great odds.

2. This award is made for gallantry under rule 4(i) of the rules governing the award of the President's Police and Fire Services Medal, and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.
